Lawal Olayinka Toheeb

Senior Data Analyst / AI Operations Specialist | Data Science, LLM Evaluation & IT Support

09021594945 | olayinkalawal68@gmail.com | ng.linkedin.com/in/olayinka-lawal-toheeb | GMT+1 (Lagos, Nigeria)

PROFESSIONAL SUMMARY

Computer Science background (University of Lagos) with Data Science training from WorldQuant University and four years of experience as a data scientist and analyst. Currently a Senior Data Analyst / AI Operations Specialist evaluating responses from GPT-4, Claude 3, Llama 3, and custom client-fine-tuned models on Labelbox and Scale AI, supported by custom Python evaluation scripts. Remote-ready, independent, and comfortable moving between annotation platforms and scripted workflows.

EDUCATION

Computer Science

University of Lagos (Unilag), Yaba, Lagos, Nigeria

CORE SKILLS

AI Annotation & Evaluation: LLM Response Evaluation, Model Output Comparison, Python-based Evaluation Scripting
Data & Analytics: Data Analysis, Data Science, Python
Document & Presentation Review: Evaluating and refining PowerPoint presentations, slide decks, and spreadsheets
Models Evaluated: GPT-4, Claude 3, Llama 3, Custom Client-Fine-Tuned Models
Tools & Platforms: Labelbox, Scale AI, Outlier/Remotasks, Python (custom evaluation scripts), Google Workspace (Docs, Sheets, Slides, Gmail), Microsoft Office (Word, Excel, PowerPoint)

PROFESSIONAL EXPERIENCE

Senior Data Analyst / AI Operations Specialist Jan 2023 – Present

TechCorp Analytics, Remote (Full-time)

- Evaluated responses from GPT-4, Claude 3, Llama 3, and custom client-fine-tuned models.
- Worked across Labelbox, the Scale AI platform, and the Outlier/Remotasks interface to complete model evaluation tasks.
- Applied custom Python evaluation scripts to support the review of model responses.

CERTIFICATIONS

• Data Science (WorldQuant University)
